A Note From Mrs. Kerper

Dear Families,

It is hard to believe that our school year is almost half over already! There is still so much to do! I hope your children are focused for three more weeks of hard work and learning before the winter break. A lot can be accomplished before December 22nd.

The holidays can be an exciting time for all of us, but it can also be a stressful time. Remember that children need rest and routines. Please do all that you can to keep things as regular as possible for your children during this busy time of year. Stay consistent with homework routines, bed times, and behavior expectations. It will help your children get the most out of the learning time before break. There will be plenty of opportunities to stay up late and celebrate over the vacation time.

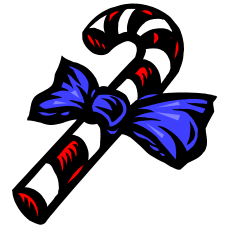

Due to the winter break we usually combine the December and January newsletters. Therefore, the next one will not be coming until the first of February.

Your children are a wonderful gift. Plan some fun activities to enjoy with them over the winter break. Read a chapter book together. If they do not have a library card, please consider going to the public library to get one. All you need is a photo ID and proof of address, such as a piece of mail. Also, make sure they keep reading and practicing math facts over the break.

As always, if at any time you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Marsha Kerper, Principal

Be Safe - Be Respectful - Be Responsible

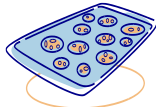

Ginger Bread Houses and More!

On December 20th, 2nd grade parents are invited to come to school at 12:15 p.m. to help their student make ginger bread houses, plus have fun doing other activities. Look for more information in the coming weeks.

Fundraiser

Thank you to everyone that participated in the fundraiser and sold cookie dough or other items. Please plan on picking up your items on Wednesday, December 13th from 1:30-5:00. Thank you for your help. We sold over \$7,000 worth of product which profited us about \$3000 for student materials and fieldtrip expenses. Great job!

Teacher Gifts

Often families choose to give gifts to their children's teachers for the holidays. While we appreciate the kindness, this is completely unnecessary. We would like to suggest that anyone interested in giving a gift consider making a donation to the classroom instead. Teachers appreciate items such as books, indoor recess games, or Clorox wipes, and students benefit as well.

Crayola ColorCycle - Turn Crayola Markers Into Energy!

Capitol View and other schools all across the country are working together with the Crayola company to protect the environment. Crayola has launched a program called Crayola ColorCycle. Through this initiative, students can collect used markers and send them to a conversion facility where they will be transformed into clean-burning fuel. Students may bring any brand of old markers to school to be recycled and turned into fuel. Visit the following website to learn more information.

Hiatt Holiday Party

Students and their families from Capitol View Elementary, Carver Elementary, Garton Elementary and Hiatt Middle Schools will enjoy a free dinner, winter clothing give-away, photos with Santa and arts and crafts activities hosted by local organizations from 5:30-7:30 pm on Tuesday, December 12th at Hiatt.

Warm Blankets

We have received a donation of many nice, gently used blankets. If your family could benefit from a few extra warm and cozy blankets in your home, please contact Stacey Robles or Shelby Peters at school.

Pick-up Procedures

We would like to remind everyone about our traffic procedures at dismissal time. Kindergarten and first grade exit out the front of the building on the east side. IN ADDITION, THEIR SIBLINGS WILL MEET THEM THERE. All other students in grades 2-5 will exit the building on the south side in the circle drive that runs along the cafeteria and wait for their ride to arrive. You enter this drive on Walnut.

If you pick up your child after school, we would appreciate it if you could use the pick up lanes. We do not want students walking through the parking lots. The parking lane on Capitol will be reserved for busses at dismissal time. Please do not park in those spaces. Thank you so much for your cooperation and flexibility.

Tis' the season to be jolly. The halls are decked and the children are "pumped!" Parents, prepare yourselves for "THE" musical event of

the year. Thursday night, December 14, 6:30 p.m. in the Hiatt Middle School Auditorium, our Kindergarten and First grade students will present, "This Magic Season, a children's winter musical. If you have children in kindergarten & first grade, please bring your child to be a part of this great event. Students will be asked to be at Hiatt by 6:15 p.m. to start the show promptly at 6:30 p.m. There is no specific dress code for the evening. Students may come looking nicely so you can take pictures.

Winter Weather and Cold Temperatures

As the weather gets colder it is important to make sure that your child is dressed appropriately for winter. It is necessary to wear hats, gloves, boots or warm shoes, and scarves. We will go outside for recess if the temperature and wind chill is above 15 degrees. If you need assistance with winter clothing please contact Stacey Robles or Shelby Peters.

Remember Capitol View doors don't open until 8:00 a.m. Before that time your students are not supervised. Please do not bring your children or allow them to come to school before 8:00 a.m. The winter weather will not change this policy.

Drop-off for the students does not start until 8:00 a.m. Please do not arrive early and park in the drop-off lane, as it is for quick drop-off only. If you choose to arrive early, parking is available on the street or in the parking lot.

Urban Leadership Group

We were fortunate to have four high school students, who were taking a class through Des Moines Public Schools and DMACC, work with our students on leadership skills. Ms. West chose students who participated two mornings a week for eight weeks.

The students learned ways to be a positive leader in school. They discussed and learned about issues in regards to race, gender and family background bias. The friendships they gained and skills they learned were amazing. The teachers of the high school students have already asked if we would like to participate again next year.

Thank you to our East, Roosevelt, Hoover and Lincoln High School friends who did such a great job with our students. Thank you to the parents of our young leaders who made sure they were here each session to participate.

Half Pints Poetry

Through the 21st Century program we have many students who are working to write poetry and perform it through spoken word. The students have been working to write and memorize their poems all semester and will be performing at Central Campus on December 5th at 6:30 p.m. The poets hope to take home the Golden Boom Box Award home to their school based on their scores in the district competition Tuesday, December 5th. Please support our poets while they take this leap and perform in front of hundreds of people. Good luck to our performing poets: Liz Salas, Laila Greening, Graciela Zenteno, ShaVontnae Pettit, Aairianae Simmons, Bryan Dominguez-Atilano, Kassandra Montonya and Emma Bernardino.

PATRON NOTIFICATION
Between District Open Enrollment**

Iowa Administrative Code 281-17.3(2)

Parents/Guardians considering the use of the open enrollment option to enroll their children in another public school district in the state of Iowa should be aware of the following dates:

DEADLINES:

March 1, 2018 is the last date for regular open enrollment requests for the 2018-2019 school year.

September 1, 2018 is the last date for open enrollment requests for entering kindergarten students and those students falling under the “good cause” definition for the 2018-2019 school year. To insure that the transfer of individual students does not adversely affect the diversity plan of the District, certain limitations to open enrollment have been established. **Parents of kindergarten students are therefore encouraged to make application requests prior to March 1, 2018.**

APPEALS:

Within 30 days of a denial of an open enrollment request by the DMPS Board of Education, a parent/guardian may file an appeal with the state board of education only if the open enrollment request was based on repeated acts of harassment or a serious health condition of the student that the district cannot adequately address. All other denials must be appealed to the district court in Polk County.

ATHLETIC ELIGIBILITY:

In most cases, a high school student who open enrolls is **ineligible** for **varsity** athletic competition during the student’s first 90 consecutive school days of enrollment in the receiving district. Some, but not all, exceptions to this general rule of ineligibility are as follows:

The sending district does not offer the sport in question.

The sending district was dissolved and merged with one or more other districts.

The sending district whole-grade shares with another district for the student’s grade level.

TRANSPORTATION:

Parents/Guardians of students open enrolled from another school district are eligible for transportation assistance if the household income of the parent/guardian is at or below the federal poverty guidelines for household size. The two districts must be contiguous. Assistance may be in the form of actual transportation or in the form of a cash stipend.
