Dear Families,

Due to the spring break we are combining the February and March newsletters. Therefore, another one will not be coming until the first of April. Hopefully by then we will be seeing much warmer weather!

Parent/Teacher conferences are fast approaching. They are February 27 and 28. Attending conferences and supporting your child's learning is one of the most important things you can do for him/her. If you have not sent back the orange note confirming your conference time, please call the office immediately and we will find a time that works for you.

Third, fourth, and fifth graders will be taking the new state assessments (formerly known as Iowa Assessments) April 8-19. Please avoid scheduling any appointments or other events that will result in your child missing school. In addition to Iowa Assessments, ELL students will be taking the English Language Proficiency Assessment (ELPA 21) between now and February 22. Please do your best to have your students here on time each day.

As always, please let me know if have questions or concerns.

Sincerely,

Marsha Kerper, Principal

Please bring:

\*birth certificate

\*child's immunization card

\*proof of address (utility bill, rental agreement, cell phone bill, bank statement etc.) from March or April

Please spread the word to friends and neighbors in the Capitol View area.

## PRESCHOOL

Call 242-7588 NOW for information on how to save a 2019-2020 preschool spot for your child. Hurry! They fill up fast!

## Birthday Treats

We enjoy celebrating your child's special day. However, sending treats is optional and unnecessary. If you send treats, please be sure to arrange it with the classroom teacher ahead of time so they can plan accordingly. Homemade treats are not allowed and the treats should be something simple to serve. You might consider a small wrapped treat in lieu of cupcakes or maybe even pencils or an inside recess game for the classroom.

## Winter Recess

When the snow is plowed from our playground and the temperature is 15 degrees Fahrenheit or warmer (including the wind chill), we will be outside. Please be sure your children come to school dressed appropriately for outdoor recess. If you need assistance with warm winter clothing, please contact Julanda Taylor or Tayli Abel.

## School Cancellations

So far this year we have had three weather-related cancellations. This means that our last day of school is June 4th, UNLESS we have additional cancellations due to weather. Please remember to check local television and radio stations, or the DMPS website or Facebook page for information about weather related cancellations.

## Reminders for Arrival and Dismissal

- Please use our main entrance on E. 16th St. for loading and unloading your students. This section is a ONE WAY, ONE LANE driveway to ensure we are not blocking the parking spots for those needing to enter the building. **YOU MAY NOT LEAVE YOUR CAR** or park for long periods of time unless you are in a parking spot. When you drop off or pick up your student please pull forward as far as you can so more cars can get in the driveway at a time. We will get your children to you.
- Our bus lane on Capitol Avenue is for buses only. Please do not use this area for drop-off or pick-up before or after school.
- In the afternoon only, K-2 students and their older siblings will be picked up in the front circle facing E 16th. 3rd-5th graders that do not have K-2 siblings will be picked up on the south side of the building facing Walnut St.
- All children should be crossing between the white crosswalk lines at the intersections. They should never be crossing at another area. Please remind your children of this when they are dropped off as this is very important for their safety.
- Please do not drop your students off in the driveway on the south side of the building facing Walnut St. There is not a safe walking path to get into the building from this location.

Parents, we need your help to keep everyone safe. Please follow these guidelines as well as all traffic rules and laws.

## Valentine Parties

Classrooms will be having Valentine parties on Friday, February 15th. This is a great time to celebrate friendship. The students love to read the fun notes from classmates. If your children choose to bring valentines, it is important that they be respectful and bring one for every child in the class.

You are invited to visit the classrooms at this time. If you would like to send treats, drinks, cups, or napkins for the party, please contact your child's teacher. District policy prohibits homemade treats. All treats must be store-bought and individually packaged. Thank you.

Persons with disabilities who need information about the accessibility to the building or who need sign or language interpreters, please contact Marsha Kerper, Principal, at 242-8402.

On Friday, March 1st Capitol View will participate in "Read Across America Day". It is an annual reading motivation and awareness program that calls for every child in every community to celebrate reading. This day of reading is on the birthday of beloved children's author, Dr. Seuss! Students are invited to dress up on this day. There will be more information to come on what the theme will be!

## Counselor's Corner

As we move into the New Year, it is essential to highlight the importance of regular attendance. According to greatschools.org, "The attendance rate is important because students are more likely to succeed in academics when they attend school consistently. It's difficult for the teacher and the class to build their skills and progress if a large number of students are frequently absent. In addition to falling behind in academics, students who are not in school on a regular basis are more likely to get into trouble with the law and cause problems in their communities." At Capitol View, we truly feel each child plays a crucial role in setting the dynamic of individual classrooms and without each piece of the puzzle in attendance and on time, it makes it difficult for the completion of topics, projects, and activities to occur.

Here are some pointers for the morning to get you moving:

-Set up a routine with exact times outlined for all morning needs.  
ex: Wake up 6:30, brush teeth 6:35, put on clothes 6:40, etc

-Have breakfast pre-planned (to eat at home) or take advantage of our free breakfast at CV.

-The night before put all items needed for the next day out and/or by the door (book bag, lunch, outfits, after school items, instrument, etc).

Remember, I am also available to help establish routines, talk about success strategies, or assist with social/emotional needs that may be getting in the way of regular punctuality or attendance. Please do not hesitate to contact me should you need any assistance.

Parent teacher conferences will be held on February 27 from 1:40 pm to 7:00 pm,

and on February 28 from 3:20 pm to 7:20 pm.

Please watch for an orange note with your scheduled time. If you are unable to make this time work, please call the school office 242-8402 immediately to reschedule.
